Southern Yorkies Puppy Application

YORKIE NITTY GRITTY

- Yes No Have you researched the Yorkie breed and understand the quirks, grooming, vet care, & dental needs?
- Yes No Are you prepared to accept the personal and financial responsibility of owning a puppy/dog?
- Yes No Are you willing to make a lifetime commitment to this puppy/dog?
- Yes No I understand that owning a yorkie is an expensive breed. Southern Yorkies is a small, in-home breeder that does NOT offer payment plans or financing. In addition, female puppies are NEVER reduced, because everyone wants a female. Puppies that have rare color markings or that are smaller than normal are priced higher and never discounted. Pricing typically ranges from \$1,500- \$2,500 for a TOY size yorkie puppy.
- Yes No Purchasing a puppy is a serious responsibly. A puppy that you purchase will likely be a part of your family for the next 10-20 years. A puppy/dog makes considerable demands on your time and resources. As a dog owner, you will need to spend time training, socializing, grooming, feeding, scooping poop, exercising and playing with your puppy/dog daily. This is in addition to medical care, vaccinations, and vacation boarding fees.
